Dear Ms. Banis:

This is in reference to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2017-000265) December 14, 2016, in which you requested the “[b]enefits GSA has requested via [GS-05P-15-SIC-0034] to ensure all benefits are being awarded to the employees by Precise Information Systems.”

In response to your request, GSA is releasing to you the Wage Determination, as it is the only compensation required of Precise Information Systems in the contract.

This completes action on your request. Should you have any questions, please contact Mike Mitchell Great Lakes FOIA Liaison, by email at mike.mitchell@gsa.gov or Mr. Travis Lewis, at 202-219-3078 by email at travis.lewis@gsa.gov.

Sincerely,

Travis Lewis
